

# **PATHOLOGY GRAND ROUNDS**

**MONDAY, AUGUST 16TH, 2021**

**12:00 P.M. – 1:00 P.M.**

**VIA ZOOM**

**“Fifty shades of Mucin: The Pathology of Ovarian Mucinous Neoplasia”**

**SPEAKER: CARLOS PERRA-HERRAN M.D.**

**PATHOLOGIST**

**BRIGHAM AND WOMAN’S HOSPITAL**

**DEPARTMENT OF PATHOLOGY**

**Learning Objectives:** At the conclusion of this activity, attendees should be able to:

- Understand the current classification and definitions of primary ovarian mucinous neoplasia, with clarity on instances that fall in between benign, borderline and malignant categories.
- Appraise the immunohistochemical and molecular features of ovarian mucinous carcinoma and their clinical applications.
- Develop a systematic and practical approach to the intraoperative interpretation of mucinous tumors involving the ovary.

**Accreditation:** The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit:** The University of Florida College of Medicine designates this live activity for a maximum of *1 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure:** No one in a position to control content, including the speaker, the activity director or planning committee members has any financial relationships to disclose.

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.
